the portraits of ganna walska span most of the twentieth century recording her beauty were famous artists from the belle Époque art nouveau art deco and the modern eras they also span several countries and continents she lived fully in an interesting period of history and knew a great many people as she writes in her autobiography always room at the top my life has touched the lives of people in almost every country on the globe the lives of people from poland russia france england

and the united states were intertwined with hers it was an age of portraits when one had as many portraits painted as one could afford and fit into one's personal schedule for decades ganna walska was busy with her opera career and if not for that we probably would have had a dozen more portraits as artists loved to paint her dazzling beauty portrait painters were the darlings of society artists such as the italian painter giovanni boldini were often begged to paint portraits the opposite was true for ganna with many artists clamoring to portray her image those were the days when to be without several family portraits in the living room would have seemed disastrous while ganna may not have sat for as many portraits as other men and women of her time the diversity of the artists and the range of her portraits are unusual and unique from poland to russia to france and from new york to california she in one way or another knew a number of significant artists and celebrities that books are now written about there is even a movie that includes her attorney phelan beale grey gardens not to mention biographies about several of her husbands on the other hand there are those who claim to have known ganna walska in their autobiographies simply for recognition's sake but who never knew her at all ganna's sense of theater and drama for the instant impact her philosophy of the bigger the better translated into jewelry portraits and gardens she lived a long and vivid life that surpassed all of her contemporaries

a beautifully crafted volume on the world renowned gardens of lotusland the first such book in more than two decades and the first ever magnificent tribute to this international treasure variously labeled eden one of the 100 gardens you must visit before you die and among the 10 best botanical gardens in the world madame ganna walska's lotusland is magic mixed with paradise in the hills of montecito california walska a well known polish opera singer and socialite purchased the estate in 1941 and spent 43 years creating lotusland the collections of exotic plants on the 37 acre property are an expression of her penchant for the dramatic the unexpected and the whimsical home to more than 3 400 types of plants including at least 35 000 specimens it is recognized not just for the diversity of its collections but for the extraordinary design sensibility informing the many one of a kind individual gardens that comprise the whole as pleasing as its aesthetic and sensorial qualities are lotusland is also an important center for scientific research and conservation a leader in the field of sustainable practices it is the first botanical garden in the united states to become entirely organic

are you traveling highway 1 and would like to stop in santa barbara are you visiting the southern california coastal town alongside the famous pacific coast highway and want to find out about

sightseeing opportunities and popular activities in the area what to do in santa barbara is an up to date guide with plenty of attraction listings images and maps that will give you lots of ideas for your upcoming trip and help you get to know the area the way only locals do

lotusland is one of the most dramatic gardens in the world this spectacular book eloquently chronicles the gardens and the life story of the eccentric madame ganna walska the legendary woman who spent more than forty years and untold millions developing these gardens

but what is this scent of balmy air what this ray of light in my tomb i seem to see an angel amid a scent of roses sings florestan in fidelio beethoven s only opera the role of scents smells fragrances and odours in opera has long been neglected just as how much opera and its stars have influenced the world of perfumery from the nineteenth century to the present day in the first book length study on the topic professor mary may robertson explores the relationship between opera perfumes and their respective protagonists in order to map out the previously undiscussed connection between the two through compelling close readings of librettos and rigorous research through thousands of bottles of perfume the reader will come to appreciate and recognise the influences and exchanges between operas and perfumes and their ultimate marriage in the previously unrecognised genre of operatic perfumes which is to say perfumes named after operas composers and their divas

our garden lover s guide series has been hailed by garden design as eminently practical and by home as authoritative and indispensable these three new volumes complete our survey of american gardens together the four books feature over 500 public gardens across the country each book is designed for readers to use as they travel through a state or region similar to our highly successful european garden guides the u s guides are illustrated in full color with numerous photographic images and watercolor drawings of the most significant gardens all specially commissioned for these books in addition to insightful texts contact data opening hours admission fees and directions are provided the perfect companion for any garden enthusiast whether tourist or armchair traveler
